

Concrete Buster

Concrete Remover

CONCRETE BUSTER is a concentrated, low odor, concrete remover for use on concrete trucks and concrete equipment.

BENEFITS: CONCRETE BUSTER is fast working and can be used straight for tough jobs or diluted for maintenance use.

DIRECTIONS: CONCRETE BUSTER can be sprayed on or brushed on with a natural fiber brush. Let **CONCRETE BUSTER** remain on surface for 1-10 minutes and then rinse. Repeat as necessary.

NFPA Code: Health - 3, Fire - 0, Reactivity - 0

- **Low Odor**
- **Works Fast**
- **Concentrated**
