

Krush

All Purpose Cleaner

KRUSH is a water soluble solvent and spray cleaner that cleans any washable surface without rinsing. The combination of solvent and detergent materials give the product a very high performance to cost ratio. **KRUSH** cleans quickly and thoroughly, leaving no residue. Effective even on the toughest stains and problem areas.

BENEFITS: **KRUSH** quickly attacks, dissolves and emulsifies stubborn grease, oil and dirt. Cleans any washable surface. **KRUSH** reduces cleaning costs and helps keep equipment and surfaces looking like new. **KRUSH** is recommended for floors, walls, fixtures, tile, kitchen areas, terrazzo, concrete, white side wall tires, equipment, ducts, grills, exhaust stains, machinery, plastics, etc.

DIRECTIONS: Dilute **KRUSH** as required, wipe, spray or mop on and simply wipe or rinse off. Agitation is seldom required.
