

D SOLVE

Heavy Duty Grill & Oven Cleaner

D SOLVE is a powerful viscous alkaline cleaner that penetrates and dissolves stubborn baked on deposits allowing quick removal.

BENEFITS: **D SOLVE** Cleans, brightens and restores food processing equipment, smoke-houses, ovens, grills, roasters, broiler pans and stainless steel surfaces. **D SOLVE** with thixotropic action clings to vertical surfaces to reduce run off and waste. **D SOLVE** will not harm ceramics, ceramic tile and porcelain. **D SOLVE** is safe on all metals except aluminum. Has no harsh fumes.

DIRECTIONS: Apply **D SOLVE** to warm surface of up to 200 degrees. Spray or brush liberally over entire surface to be cleaned. Wait 5 minutes depending on the amount of soil. Wipe surface. Stubborn build up deposits may require more than one application. May be diluted with water before use on jobs that require less power.

CAUTION: Contains caustic soda. Harmful if swallowed. May damage eyes and skin. If swallowed, give large amounts of water, dilute vinegar, lemon or orange juice. Follow with milk or olive oil and call a physician. If splashed in eyes, flush with water for at least 15 minutes and get medical attention. In case of skin contact, wash off with water.

NFPA Code: Health-3, Fire-0, Reactivity-0, Special-Alk.

- **Highly Concentrated**
- **Fast Acting**
- **Easy to Use**
- **Safe**
