

Amstrip

Wax Remover & Multi-Purpose Cleaner

Nonfood Compounds
Program Listed C1
134759

AMSTRIP is a concentrated wax remover and multi-purpose cleaner. Even in areas where different types of floor finishes are present, it will emulsify quickly with minimal effort.

BENEFITS: **AMSTRIP** will not harm any washable surface and does not contain hazardous acid. **AMSTRIP** is very effective on all types of surfaces which have an accumulation of wax build-up. **AMSTRIP** is a very efficient multi-purpose cleaner for walls, tile, painted surfaces, equipment or any washable surface.

SUGGESTED DILUTION RATIOS:

Wax Stripping	10 to 30 parts water
General Cleaning	10 to 50 parts water
Glass Cleaning	100 parts water

DIRECTIONS: Dilute in water as required by condition of surface to be cleaned. Using hot water will improve efficiency but is rarely necessary. Apply with mop, sprayer or scrubber and agitate if necessary. Rinse well and allow to dry before recoating with floor treatment selected. **AMSTRIP** is a very efficient general purpose, hard surface cleaner and can be sprayed or mopped on. Emulsified soil can be removed with a damp cloth, mop, sponge or rinsed off with clean water.

CAUTION: Contains alkaline silicates & phosphates. May irritate skin and eyes. Avoid prolonged skin contact. If splashed in eyes, flush with water for at least 15 minutes. Consult a physician. Do not take internally. Avoid excessive breathing of vapors. Contains ethylene glycolmonobutyl ether. If ingested, drink water and consult physician.

NFPA Code: Health-2, Fire-0, Reactivity-0

- **Highly Concentrated**
- **Fast Acting**
- **Easy to Use**
- **Safe**
